I got your letter and check. It came here Sat, but I was gone for the weekend and then had my 4 month old grandson on Mon. I now have your book ready to mail this afternoon. I enclosed other material that I thought you'd be interested in. I have a lot on Peter Edmonds. I've been back to Wayne county Oh to his grave several times. If you want more on Peter I'll send it after you've had time to digest this stuff.

YES, I'd be interested in your family group sheets on Andrew Jr's line. Your Rosa Bell is on page 47 of my book, but all I have on her is a birthyear of 1874. I do have more than is in the book on her sisters who married CARNAHM brothers, but I can't seem to find it now. I think I exchanged info with one of her descendants. I will mail what I have on them when I find it.

I won't send a letter with the book. If you have any questions, just e mail me.

ENJOY Jan

Dear Jan,

Enclosed find the family group pages of Andrew Hollopeter, Jr's family line. Am probably sending more than you would really want, but it easiest this way and makes some interesting reading anyway about our local Hollopeters.

Do you have anything in the way of actual snapshots of any of the Hollopeters graves in the Fostoria area? It may be possible some day to visit there, but not any more this summer. There may be a way to make simple copies if you do have such and I would pay for the prints if you actually have negatives. Guess I am interested in the oldest Hollopeters that are buried there, like the brothers that stayed in the area and their wives. Also the Edmonds family and even back into PA.

I guess I “haunt” the graveyards around here. I do have photos of most of the Hollopeter gravestones that are in the Leo Cemetery and also the one of Isreal in the Huntertown Cemetery. So far have not been to Eel River, but could do that too. I can’t believe what a great job you have done on the Hollopeters when they were not actually your family! You don’t know how much we appreciate it back here in Indiana.

One thing I would like to do is to contact the Ridenour writer or family and find out what they know about their Ridenour family. I am a Ridenour on my dad’s side. Dad’s name is Brown, and his mother was a Shaffer, and her mother a Ridenour. I only know of 2 Ridenours that came to Indiana from Virginia and wonder if they might be of my Ridenour family. Another project. Do you know, is the writer of the Hollopeter book still living? And do you have any contact with the family?

If my request of photos is too difficult, that is OK. I am probably just dreaming. Since I have so many photos of the gravestones around here I like to keep as many as possible. One inexpensive way that I have done with such photos is to group them on an 8 X11 page and get just one copy made of several photos at the same time. I have done the laser copy way and also the cheap black and white nickel copies at Office Depot. They are not as good, but are a lot better than not having them at all. It was just a thought and if too difficult just say you can’t do it. I understand as there is so much to do and keep up with just in everyday living. Not enough time in a 24 hour day, is there?? Probably a good thing the Lord planned the day and not us. I would never sleep and extend the day until I get everything done! No wonder He didn’t ask me how to do it!!

Thanks again for everything. Enjoy!

HOLLOPETER FAMILY HISTORY

MATHIAS HOLLOPETER was the founder of this line, in this country. He came to America in 1753 and located in York County, Pennsylvania. He is said to have been born in Holland, about 1740, although that is not definite. The date, however, seems to be supported by the further report that he died in 1800 at the age of 60, in York County where he had spent his entire life in this country. It would seem from this that he must have come to this country with parents or at least with relatives, as he would have been but thirteen yeard old, but on record of any is available. I have no name or date record of his wife , and only have the report that she was of Irish parentage. It appears there were five children born to this family, all sons. The first was Fredrick, born September 13, 1770. Another was Andrew, born in September 1777. Another was Abraham, born in 1780. Another was John, born 1790, and the fifth one was Joseph, but I have no record of his date of birth or further record of him.

GERTRUDE HOLLOPETER & EBBEN THOMAS CARNAHAN
WEDDING PICTURE 17 MARCH 1898

HOLLOPETER 1905 PICTURE ID

Date on this photo was determined by the age of Otis Fitch who was born December 1904…………so the assumption is that this was the summer of 1905.   Otis was a big baby and would have been about 7 to 9 months old probably at this time.

In 1905 the family would have included:

William C. Hollopeter, aged about 72
Cynthia (Moore) Hollopeter, aged about 66
Charles Hollopeter, aged about 43
Walter Hollopeter, aged about 37
Ophelia Hollopeter Carnahan , aged about 39
Ellen Hollopeter Carnahan, aged about 33
Belle Hollopeter Fitch, aged about 31
Herbert Hollopeter, aged about 27
Lloyd Hollopeter, aged about 25
Grace Hollopeter, aged about 22

From the above family of William C. and Cynthia it appears that the children present, with their families were:

> Ophelia Carnahan, Ellen Carnahan, Belle Fitch, Herbert, Lloyd, Grace,
> the youngest of the Wm. C. family.

WARNER

Hi, again ... ... not to worry about my having received to of the same email from you. Mentioned it, incase it might be a symptom of something. Speaking of symptoms - - - silly me !!! I can download NETSCAPE, on to a CD, and mail it to you, if you'd like.... ..

Thought you might have a key stuck, on your keyboard, from some of the symptoms you uttered. Have you, just for kicks, turned it upside down and softly given it a few "bangs" on the edge of the table? It worked on my old one. Who knows.... ..

Fire in the furnace ??? In mid May ??? About as confusing as us forecasted to have rain around the beginning of next week, along with snow down to the 6,000 foot level in our mountains.... .. Maybe you and I could have a snowball fight, long distance !!! !!! !!! Maybe your offer of some of your rain, is about to become a reality.

There are 10 Metcalf's listed in JT's Vol. 2, of which NONE listed on same page numbers of Warner's; 5 Sarah Smith's-none on same Warner page; 1 Edmonds, Betsy, 213; 49 Moore's;

Huldah Warner, married Jesse Fitch of Stephen, Jeremiah, Rev James.

Timothy Warner's daughter, Irena, or Irene married Capt. John Fitch, who RC gave the title of General.

Walter P. Warner, married Mary Dursilla. Fitch. Mary D. of: William Willard, Squire Joseph, Adonijah, Daniel, et Rev James. Mary D. Vol. 2,p. 188. Born Charlemont, Franklin Co., Mass. 11 Sept 1826, m. Medina, Medina Co., Ohio 13 Oct 1847, Walter P. Warner, b. abt 1822, d. Medina 1 Sep 1890 ae 68. One child, Bertha,b. Medina 17 May 1860, m. Medina, 23 Mar 1877, Frank Joshua Clark, son of Cyrus and Harriet (Oviatt) Clark. Mary Drusilla Fitch was the youngest of 13 children listed in JT's Vol.2. Now if could just hook up Walter P. with the rest of the Warner's. ALL are listed, that have a connection to FITCH. Interesting that JT references The Barbour Collection, in most of his FITCH/Warner stuff. No mention that RC had some FITCH/Warner connections also.... ..

Did I mention that I have now input all of the Warner's you mentioned, along with what I felt necessary, from JT's Vol. 1 & 2. Just in case a connection arises, later.

Do you think that it is my Matthew FITCH that you saw that had ancestors buried in Wooster, Ohio Cemeteries.... .. Cookie had someone look up the Matthew FITCH DAR members via their ability to access DAR stuff. Either did it via DAR, or Ancestry.com membership, OR both. Sent me about 10 ladies who were listed, with Matthew FITCH as ancestor. The closest any come to Wooster, Wayne Co., Ohio, are/were in Galena, Jodaviess Co., Ill., which is just a bit east of the Mississippi River, and Iowa. Wooster is a lot closer than Galena, Il. There is one in Onarga, Ill, which is about as far west of Fort Wayne, as is Wooster is east. Really is just saying where the ladies were born. No mention of where else they might have resided.... ..
If you should find out which FITCH was Matthew's descendant, let me know. Could add them to my list, and even maybe write.

Your experience with the Census site, be a repetition of mine.... .. Me, also need the newer ones.

In which direction do I plan to head, she asked.... .. Shall leave it to the roll of the dice, fate, kismet, carma, or most recent map that points the most direct route out of town.

A Gurdon and Hanna B. (Peck) Fitch, had a son named Jabez Warner Fitch, b. 1823 in Cleveland, Cuyahoga Co., Ohio. Check RC, Vol. II, page 189. JW's maternal grandmother's maiden name was Warner, per RC.

Will that hold us, for the moment ... ... Me gettin' hungry. Gypsy loves it when I eat, as she gets some nibbles. Mostly wheat bread crust. She no care. Just loves to eat.... .. kk

Hi again..... .. JUST made an astounding discovery, while flitting around the web site shown below. Remember Joyce M. Tice ??? I met her while staying in Towanda, Bradford Co., Pa.

Back to the discovery - - - while on the internet, I discovered that if I go up and click on FILE, then down to SEND, which gives me an arrow over to EMAIL. It allows me to send a web page to whomever. Just sent this one to myself, as was unaware that there were anything other than WOLF's listed. Then, when I pulled it in, a bit ago, the third family name listed is WARNER. You do imagine my surprise, yes ??? It is in http://www.rootsweb.com/~srgp/jmtindex.htm or http://www.rootsweb.com/~srgp/srgpmain.htm somewhere. I had done a "PICO" search for BAXTER and WOLF and UP it popped.kk

WALDRON

Silas Waldron is related to have removed to Wells in 1804 from Connecticut and settled at or near Mosherville, however he does not appear on the assessment lists until 1817, farmer. And, he does not appear on the 1810 census of Smithfield Township, Lycoming County, Pennsylvania from which Wells was formed. Enumerated in Wells in 1820. Silas transfered some of his holdings to Daniel Holdridge. Still residing there in 1824 when the French family arrived. On the 1825 assessment there is the notation "removed, transfered to French."

They removed to Tompkins County (that portion that is now Schuyler) where Thomas applied for a pension 3 June 1820. Enumerated in Hector, Tompkins (now Schuyler) County in 1820. They are related to have removed from Hector, Schuyler County to Wells township about 1823, but this is perhaps too early since Thomas, and sons Truman B., James, and Hiram, did not appear on the assessment lists until 1827, which would probably indicate an arrival of 1826 as the assessment list was compiled in the fall prior to the assessment year. Thomas d. 26 Mar 1840 (pension) 72y 8m 20d (ts) Coryland Cemetery. Heverly related he d. Mar 1840 age 84 which if his birth and death are correct would be the correct age. Hi again.... .. JUST made an astounding discovery, while flitting around the web site shown below. Remember Joyce M. Tice ??? I met her while staying in Towanda, Bradford Co., Pa.

Back to the discovery - - - while on the internet, I discovered that if I go up and click on FILE, then down to SEND, which gives me an arrow over to EMAIL. It allows me to send a web page to whomever. Just sent this one to myself, as was unaware that there were anything other than WOLF's listed. Then, when I pulled it in, a bit ago, the third family name listed is WARNER. You do imagine my surprise, yes ??? It is in http://www.rootsweb.com/~srgp/jmtindex.htm or http://www.rootsweb.com/~srgp/srgpmain.htm somewhere. I had done a "PICO" search for BAXTER and WOLF and UP it popped.kk

Silas Waldron is related to have removed to Wells in 1804 from Connecticut and settled at or near Mosherville, however he does not appear on the assessment lists until 1817, farmer. Silas transfered some of his holdings to Daniel Holdridge. Still residing there in 1824 when the French family arrived. On the 1825 assessment there is the notation "removed, transfered to French."

They are related to have removed from Hector, Schuyler County to Wells township about 1823, but this is perhaps too early since Thomas, and sons Truman B., James, and Hiram, did not appear on the assessment lists until 1827, which would probably indicate an arrival of 1826 as the assessment list was compiled in the fall prior to the assessment year. Notes

Rev. Andrew Hollopeter was a minister with the Methodist Episcopal Church for 50 years.

The age of his death on the tombstone is 84 years, 5 months, 28 days

From the History of Cedar Creek Township, Allen County, Indiana: Rev. Andrew Hollopeter was a native of Pennsylvania. At the time of this writing there was one daughter in DeKalb County, and 2 other brothers in Allen County. The writing was probably about 1875-1880.

Andrew and Catharine had seven children 4 of those were still living at above date.

Methodist Episcopal Church: The members of this denomination organized a class in 1845, under the ministerial offices of Rev. Dowd, and held meetings at Silver's Schoolhouse until 1851. In that year, they erected a log church on the farm of Wesley Hollopeter, and maintained services for several years. Finally, some of its members withdrew and organized churches nearer their homes. Mount Olivet Church and Robinson Chapel are its successors. Its membership was weakened by their withdrawal, and it soon ceased to be used as a church. In 1851 the Methodists organized at Hamilton, and held meeting at the house of Henry McEwen. Rev. Andrew Hollopeter was in charge of the circuit to which it was attached, and officiated as Pastor, holding meetings once a month.
(Hamilton is really Leo, not the Hamilton that is up further north at the present time).

James F. 9 M Ohio born 1841
Narcissa M. 5 F Ohio born 1845

Came to Indiana between 1845 and 1850 according to this report.

In 1851 the Methodist Episcopal Church erected a log church on the farm of Wesley Hollopeter and maintained services for several years. Finally, some its members withdrew to organize churches near to their homes. Mount Olive and Robinson Chapel were its successors. And in 1851 the Methodists organized at Hamilton (Leo). Rev. Andrew Hollopeter was in charge of the circuit to which it was attached and officiated as Pastor, holding meetings once a month. In 1857 they erected a small frame church at Hamilton in which they worshipped until 1878.

We find 2 Andrews listed in the 1830 (?) census of Seneca County, Jackson Twp., Ohio #239 apparently with separate homes.

The father, Andrew, died in Seneca County, Ohio, as did two of the sons, Frederick, and Mathias. The 4 boys coming to Indiana were Rev. Andrew, Abraham, Wesley, and Isaiah, the younger one.

Notes

William C. Hollopeter was in Company C, 88th or 98th Regiment of the Indiana Volunteer Infantry and was made a Captain during the Civil War.

From the History of Cedar Creek County: CAPT. WILLIAM C. hOLLOPETER is a son of Rev. Andrew Hollopeter, who was a native of Pennsylvania and a minister of the Gospel in the Methodist Episcopal Church for nearly fifty years. His mother's maiden name was Catherine Edmonds, Ohio being her native state.

William C. was the eldest of seven children, three yet living in Allen County and one, a sister, living in DeKalb County of this state. A brother, still living in this county, was a veteran soldier in the Eleventh Indiana Volumteer Infantry during the late war. The subject of our sketch was born in Wayne County, Ohio, August 24, 1833. In youth he had moderate opportunities, only, for acquiring an education. He improved well such opportunities, however, thus preparing himself to act a practicle part in life's dealings. His father, with family, removed from Ohio to this county in March 1847, making a choice of settling in Cedar Creek Township. Farming was their (James)

Ohio to this county in March 1847, making a choice of settling in Cedar Creek Township. Farming was their pursuit, and William C. continued with his parents, aiding at this vocation, until the summer of 1854 when he became of age.

For a period forward from that time, in the struggle for self-maintenance, he directed his energies alternately at teaching a district school during the winters and at farming during the summers. He was joined in marriage, May 18, 1858 with Miss Cynthia A. Moore, of Allen County. She was a native of Delaware County, Indiana, born April 22, 1839. Seven children have been the fruits of this marriage, six of them still living viz: Milton R. (deceased), Charles McPherson, Ophelia May, Walter M.M., Ellen Gertrude, Rosa Belle and Herbert Salon.

A patriot to his country, on August 28, 1862, to help maintain the Stars and Stripes, he enlisted as a private soldier in Company C, 88th Regiment Indiana Volunteer Infantry. At the organization of the company, he was appointed Corporal, on February 18, 1863 he was advanced to First Lieutenant of his company, and on October 24, following, was commissioned as Captain. He was with his company and regiment during their entire service, the same being attached to the Army of the Cumberland. He was in seventeen distinct engagements and received two severe wounds; fought under Generals Rosecranz and Thomas, and participated in Sherman's march to the sea. Remaining in the service til after the surrender, until the old flag was again unfurled to every state and every people of our broad Union (without dispute). Captain Hollopeter received his discharge at Washington D.C., June 7, 1865. Following his discharge, he immediately returned to the bosom of his family and to the quiet avocations of civil life in Cedar Creek Township. Religiously he has been an exemplary member of the Methodist Episcopal Church since the age of 16 and his estimable wife since a young girl of nine years. Has ever been a stanch friend of temperance. In politics, a firm Republican, yet not an aspirant for political honors. For the past fifteen years has belonged to the Order of A. F. & A.M. He is an industrious, good citizen, one whose influence for the right is ever felt. Is an ever willing advocate and supporter of that which elevates while he is just as ready and anxious to repudiate and defeat that which debases. Within the large circle of his acquaintance he is universally esteemed.

Notes

Belle was really Rosa Belle Hollopeter, daughter of William Hollopeter and she was raised in Cedar Creek Township on a farm just across the township line which was and is 427. Her grand father was a Methodist minister. Belle had several brothers and sisters and many, many cousins and aunts and uncles in the area as several of the Hollopeter boys came to Indiana together and set up their homes here.

At some time in her life and no one can tell me when it was except it was before they were married Belle had polio and it left her with one leg shorter than the other. Seems it never stopped her from doing anything. The question had been asked, "why did John Fitch marry a cripple?" so we know she was that way before she was married to John. Probably because he loved her! Dumb question!!

Belle was a teacher and she worked with John's assessor's records too. Probably quite an intelligent lady. One of the recipes we have is of Belle's "crumb pie". Here it is:

Take 2 cups of flour 1 cup of sugar
1/2 teaspoon of soda, cinnamon and cloves to taste
1/2 cut of shortning 1/4 teaspoon salt

Mix this to form crumbs and press a crust into a pie pan saving some of the crumbs to put on top.

Mix 1/2 cup molasses with 1/2 cup hot water and pour into the crust. Then add the rest of the crumbs on top and sprinkle with a little more cinnamon. Bake at about 350 until the center is set and the edges brown a little. No time was given but probably about 45 minutes. If the edge starts getting too brown, take it out. The center

minutes. If the edge starts getting too brown, take it out. The center will be somewhat gooey when you eat it. Warm and with ice cream is best!

One of the schools that Belle taught in was School # 4 which was on Road 68 across from the Kelham home. It has been said that she stayed with the Kelhams while teaching there. This was probably in the 1890's before the marriage of Belle and John.

We have a teacher's certificate that says:

Certificate of Membership, in, DeKalb County Teachers' Association
Waterloo, Ind. .... November 27, 1897
This is to certify that Belle Hollopeter is an Active member of this Association.

Obituary of Belle Fitch:

HEART ATTACK BLAMED FOR DEATH OF MRS. BELLE FITCH

Final rites were held Sunday at 2 pm at the Cedar Chapel Methodist Church, southeast of Garrett, for Mrs. Belle Fitch, 78 who resided just south of the DeKalb-Allen County line on U.S. Highway 27. Rev. Everett McLeland officiated and burial followed in the church cemetery. The body was at the Zimmerman Funeral Home in Garrett until noon Sunday, when it was removed to the church to lie in state until the services.

Mrs. Fitch, who lived alone, had been in fair health. Thursday morning at 8 o'clock, Cecil Myers, the tenant farmer who lives nearby, went to see if Mrs. Fitch was all right. He was unable to gain entrance to the house or arouse anyone. He summoned a cousin, Miss Gladys Fitch, who lives nearby, and together with his wife and daughter, Marilyn, they returned to Mrs. Fitch's home. They cut a hole in the screen and Marilyn crawled through and unlocked the door. They found Mrs. Fitch dead in bed, a victim of a heart attack.

Mrs. Fitch was born May 19, 1874, a daughter of the late Mr. and Mrs. William Hollopeter. She was a life-long resident of Allen County and when a young lady taught in the DeKalb and Allen County schools. She and John Fitch were married March 17, 1898, and he died in February 1947. Surviving are two sons, Otis Fitch of southwest of Garrett, and Maurice Fitch of Huntertown; one daughter, Mrs. Charles Caple of Cromwell; one sister, Mrs. Grace Rundles of Hudson; seven grandchildren. Mrs. Harry Wert and Mrs. A.G. Houser of Garrett were cousins of the deceased woman. (Actually they were cousins-in-law)

Mrs. Fitch was a member of the Cedar Chapel Methodist Church, Woman's Society of Christian Service, Ladies Aid and was a teacher for many years of the Adult Sunday School class.

I have a note about Bert "Uncle Bert" that he married 2nd Hettie, November 12, 1884 to June 1, 1967. Also that there was a child, Hazel I. Barber, born February 8, 1901 to August 2, 1939. If so she would have to be of the first wife Martha J. Need more checking.

Notes

John Byron Fitch was a well-loved grandfather, neighbor and friend. He was easy-going in all his ways. Warren always enjoyed the times he spent with his grandfather going fishing or just trailing him around. Anyone you ask about them says John and Belle were wonderful people.

When we knew them, John and Belle lived in a little house on Highway 27 and bordered on the north by the Allen and DeKalb County Line. That is the only home Warren remembers them having too and they must have moved there when their kids were young adults. The house was quite small but had a small bathroom inside with a wooden bathtub. I remember a cook stove in the kitchen, and a living room with a bookcase full of old books. The dining room was probably used for a place to eat all their meals as the kitchen was in a back lean-to and was very small. Belle also had a summer kitchen. There were two small bedrooms upstairs. The house was not far from the highway. At that time John was owner of about 300 acres of land that had belonged to his father, Mathias. Plus that, he owned the 30 acres that they lived on.

John would have grown up in the house on the Fitch Road that was built by Mathias. That was where the sawmill and the carding mill was. Suppose John got to work in the sawmill. They took the carding mill up the hill and made a barn out of it. Mathias had a beautiful big house so home would have been pretty nice for John and his brothers and sisters probably.

We don't know how John and Belle met, but she was a Hollopeter from Cedar Creek Township and they were married in 1898. They had three children, Grace, Maurice, and Otis, who was the baby and said by some to have been spoiled and over-loved by his mother!! There must have been a pet name for Otis, but haven't found out what it was as yet.

John was quite easy-going and one story we have on him is that Belle wanted a wall torn out between the kitchen and dining room and he would never get around to it, so one day while he was gone, she just up and knocked it out. Suppose John had to clean up the mess. Not sure which house that was, but they lived in two other houses that I know of.

When the kids were smaller they lived in the house across the road from Nathaniels. Then eventually they moved into the house on the Fitch Road (that we first lived in). It may have been that house that she wanted the wall removed because if you looked at the kitchen ceiling you could see where there had been a wall dividing two rooms there. When we lived there the kitchen was just one big long room as long as the house.

From there they probably moved into the house on the county line road. John died in 1947 and Belle still lived on in that house until she died in 1953.

John Fitch wrote his hand-written will to his children and this is what he had to say:

In case anything should happen to me, I am writing this as part of my wish which I think would be of some benefit to you. I believe it would be best to keep the farm until the prices are better for farm land. You could sell off timber that is matured and that will help to pay the taxes and other expenses if it does not make enough by farming. But be careful about selling it. I believe it would be best to sell it by the thousand. Then there is the gravel which will be worth a great deal sometime. Be careful what kind of deal you make. I believe it would be best to sell it by the yard. And whatever you do, do not get to quarrelling among yourselves as my folks have

best to sell it by the yard. And whatever you do, do not get to quarrelling among yourselves as my folks have done. You will have a good thing and something that will make you an income for years to come if properly managed and you do not get into trouble over it. You can each give in a little and make a settlement that is good for all. John B. Fitch

Obituary of John Fitch

FUNERAL FOR JOHN B. FITCH 74 WILL BE HELD SUNDAY

John Byron Fitch, 74, of Allen county, who lived six miles south of Garrett near the DeKalb county line died of paralysis at his home Thursday at 2:30 p.m. He had suffered a stroke of paralysis two and a half years ago, and had suffered three other strokes since that time.

The body was taken to the George W. Iler Mortuary in Garrett and it will be returned to the residence Saturday morning. Final rites will be held Sunday at 2 p.m. at Cedar Chapel Methodist Church, the Rev. Harley Davis of Fort Wayne officiating. Burial will follow in Cedar Chapel Cemetery.

Mr. Fitch was born June 23, 1872 in Allen County, Perry township near his present home. He was a farmer all his life. He and Belle Hollopeter of Allen County were married March 17, 1898.

Surviving besides the widow are two sons, Morris of Huntertown and Otis, who lives two miles west of the parental home in DeKalb County, a daughter Mrs. Grace Caple of Kimmell, one brother, Schuyler of Seattle, Washington, a sister, Mrs. Beatrice Leaycraft of Los Angeles, California, and seven grandchildren.

……

In 1927 John's uncle, James Vandolah, Jr. died and made John the administrator of his will. John shared with his brothers and sisters the inheritance that his mother would have received had she still been alive. But since she had died in 1923, the neices and nephews received from the estate. Uncle James had never been married and was apparently the last one of James and Rebecca's children when he died. So all who received of his estate were his neices and nephews. Not only John and his brothers and sisters, but two of Benjamin Vandolah's children, Frances and Lizzie, and two of Phoebe's children, William Gump and Emma Gump. James Jr. had a pretty nice estate for those days. It was over $15,000 total. John received $125 for being the administrator. Find the will under John's mother, Frances Fitch.

Notes

Belle was really Rosa Belle Hollopeter, daughter of William Hollopeter and she was raised in Cedar Creek Township on a farm just across the township line which was and is 427. Her grand father was a Methodist minister. Belle had several brothers and sisters and many, many cousins and aunts and uncles in the area as several of the Hollopeter boys came to Indiana together and set up their homes here.

At some time in her life and no one can tell me when it was except it was before they were married Belle had polio and it left her with one leg shorter than the other. Seems it never stopped her from doing anything. The question had been asked, "why did John Fitch marry a cripple?" so we know she was that way before she was married to John. Probably because he loved her! Dumb question!!

Belle was a teacher and she worked with John's assessor's records too. Probably quite an intelligent lady. One of the recipes we have is of Belle's "crumb pie". Here it is:

Take 2 cups of flour 1 cup of sugar
1/2 teaspoon of soda cinnamon and cloves to taste
1/2 cut of shortning 1/4 teaspoon salt

Mix this to form crumbs and press a crust into a pie pan saving some of the crumbs to put on top.

Mix 1/2 cup molasses with 1/2 cup hot water and pour into the crust. Then add the rest of the crumbs on top and sprinkle with a little more cinnamon. Bake at about 350 until the center is set and the edges brown a little. No time was given but probably about 45 minutes. If the edge starts getting too brown, take it out. The center will be somewhat gooey when you eat it. Warm and with ice cream is best!

One of the schools that Belle taught in was School # 4 which was on Road 68 across from the Kelham home. It has been said that she stayed with the Kelhams while teaching there. This was probably in the 1890's before the marriage of Belle and John.

We have a teacher's certificate that says:

Certificate of Membership, in, DeKalb County Teachers' Association
Waterloo, Ind. .... November 27, 1897
This is to certify that Belle Hollopeter is an Active member of this Association.

Obituary of Belle Fitch:

HEART ATTACK BLAMED FOR DEATH OF MRS. BELLE FITCH

Final rites were held Sunday at 2 pm at the Cedar Chapel Methodist Church, southeast of Garrett, for Mrs. Belle Fitch, 78 who resided just south of the DeKalb-Allen County line on U.S. Highway 27. Rev. Everett McLeland officiated and burial followed in the church cemetery. The body was at the Zimmerman Funeral Home in Garrett until noon Sunday, when it was removed to the church to lie in state until the services.

Mrs. Fitch, who lived alone, had been in fair health. Thursday morning at 8 o'clock, Cecil Myers, the tenant farmer who lives nearby, went to see if Mrs. Fitch was all right. He was unable to gain entrance to the house or arouse anyone. He summoned a cousin, Miss Gladys Fitch, who lives nearby, and together with his wife and daughter, Marilyn, they returned to Mrs. Fitch's home. They cut a hole in the screen and Marilyn crawled through and unlocked the door. They found Mrs. Fitch dead in bed, a victim of a heart attack.

Mrs. Fitch was born May 19, 1874, a daughter of the late Mr. and Mrs. William Hollopeter. She was a life-long resident of Allen County and when a young lady taught in the DeKalb and Allen County schools. She and John Fitch were married March 17, 1898, and he died in February 1947. Surviving are two sons, Otis Fitch of

southwest of Garrett, and Maurice Fitch of Huntertown; one daughter, Mrs. Charles Caple of Cromwell; one sister, Mrs. Grace Rundles of Hudson; seven grandchildren. Mrs. Harry Wert and Mrs. A.G. Houser of Garrett were cousins of the deceased woman. (Actually they were cousins-in-law)

Mrs. Fitch was a member of the Cedar Chapel Methodist Church, Woman's Society of Christian Service, Ladies Aid and was a teacher for many years of the Adult Sunday School class.

Notes

Otis was probably born in the house across the road from Nathaniel's homestead. At least it looks like they lived there when Grace was small and Maurice just a baby. This house is on the east side of Highway 27. Jake Kell said that the land was level across there at the time and the road did not go straight down the hill as it does now but curved around and the driveway to Nathaniel's home was the old 27. Not sure how long they lived there, but the kids went to the Fitch School #2. which was on the Shoaff Road then.

Next place we see them living is in the old house on the Fitch Road that Warren and I lived in when we were first married. At that time Otis seems to be about 12 years old and a teenager in one photo and so not sure where they would have gone to school, but since it is still Allen County, they may have still gone to the Fitch school. We know that Otis went to Garrett to High School. At that time they had moved up to the 30 acre farm on the County Line and he was able to go to Garrett even though he was on the Allen County side. John had much of the farm that belonged to Mathias after Mathias died, but to begin with, he may have just had the 30 acres. Otis graduated from Garrett High School. Otis had a heavy head of sandy red hair which almost stood straight up!

One thing he did before he got married was to go out West with Rudy Schlemmer. Have pictures of things they saw and the old car they drove. We do not know much about his going out with girls, but apparently there was a girl that he was very interested in and she died. How long it was before he began to date Esther, we do not know. She had also had a boyfriend that her mother did not care for and put a stop to that. So both may have been sort of on the rebound. Esther was a little older than Otis. Apparently he was good friends with Paul Clark and Paul was dating Esther's sister, Josephine, and that is probably the way they got acquainted. Paul and Josephine got married too.

Otis and Esther were married on December 30, 1926. Their first home that we know of was on the California Road. All three of the children are shown there at the house so suppose they were living there when all of them were born. About 1932 they moved out to the farm in DeKalb County about 6 miles south of Garrett and that was their home for the rest of their lives. Otis was not a real farmer and he worked as an electrician at General Electric and was retired from there after many years. But they did farm the land that was there. At first they lived in a little garage until the house was built. There had been a house there before that Schuyler Fitch had lived in. They had moved away and gone to Washington State. Someone was renting when it burned down. So using the basement Otis began building on the foundation that was already there. They used butternut wood for the woodwork that they got from the woods, or perhaps it came from the old mill stock as that would have already been dried and ready to go. The house did not have a bathroom until after Warren had left home. The room was there, but it just was never put to use. So they had a WPA outhouse and a short path. It was several years before they even got electricity.

Otis's whole life seemed centered around his work at GE and he did little else. He was a hard person to get to know and I really never did. He had a lot of friends at GE and they did some things together. He also belonged to a lodge and would spend some time there. It was the Knights of Phythias I think.

Otis smoked a pipe, cigars, and some cigarettes, and in the end he had problems with his breathing and the doctors said he had emphasema. He was in the hospital in Garrett when he died and think he may have suffered a slight stroke, but believe his worst problems had to do with his breathing. For several years before he died, he could have no fresh air in the house at all, and if he walked outside could hardly breath so he stayed indoors with the house all shut up. He finally had an oxygen machine in the kitchen and had to use that several times a day.

Everyone said that he was his mother's pet, and perhaps so, as he was the baby. He weighed 13 pounds when he was born and was quite a chunk as a baby. Then he grew tall and slim and was downright thin by the time he was in his 60's. Our kids never got to know him well at all because as I said he was hard to know. They did not have a very good experiences with their grandpa. He was always good to them, but never took an interest in their lives.

He is buried at Cedar Chapel Cemetery just off Road 68 where both his parents are buried.

FINAL RITES HELD FOR OTIS B. FITCH, 71

Services were held Saturday 2 p.m. at the Baidinger & Walter Funeral Home for Otis Fitch, 71, of near Holiday Lakes, a lifelong resident of the area. Rev. Fred Orr, pastor of the Altarstar Methodist Church officiated and burial followed in Cedar Chapel Cemetery. Members of the Knights of Pythias in Fort Wayne served as pallbearers. He was a 50-year member of the organization.

Mr. Fitch died of complications Thursday at 4 p.m. at the Garrett Community Hospital following a stroke he suffered on Tuesday. He had been a patient in the hospital three weeks and in failing health for 18 years. Mr. Fitch, a retired General Electric Company electrician, was born December 20, 1904, in north Allen County, a son of John and Belle (Hollopeter) Fitch. He was married on December 30, 1926 at Harlan to Esther Doll.

Surviving besides the widow are a son, Warren, Fort Wayne; two daughters, Mrs. Elsie Jones, Fort Wayne, and Mrs. Richard Ober, Temple Terrace, Florida; and 11 grandchildren. A sister and brother preceded him in death.

Notes

Bryce Fitch was injured in an elevator accident while he was working for Wayne Candy Company in Fort Wayne, I believe. He was never good after that and had troubles in getting around. After his brother moved out to California and was married, Bryce followed and was out there for several years until his brother, Noel, committed suicide and then he decided to come back to Indiana. He still has half interest in their old house in Huntertown, but he has gone to a nursing home. Right now he is in Irene Byron. Warren takes him to the bank and does some small errands for him. His niece, Nancy, daughter of Noel, has been living in the house at Huntertown, but has gone away to college now. Bryce has had several health problems and one major operation since his return to Indiana. Part of his colon was removed.

.... 3 Robert Humphrey

Andrew Warner brought his family to America late in the year 1632. His name appears prominently in the town records of Cambridge, Mass, for the next 4 years preceding the sale of his dwelling house and other lands on December 20, 1636. It was about this time that he and several others, including Rev. Thomas Hooker, moved to Hartford, CT. In his History of Connecticut, published in 1797, Mr. Benjamin Trumbull gives a colorful description of the journey........."About the beginning of June, Mr. Hooker, Mr. Stone and about a hundred men, women and children took their departure from Cambridge and travelled more than 100 miles, through a hideous and trackless wilderness to Hartford. They had no guide but their compass; made their way over mountains, through swamps, thickets and rivers, which were not passable, but with great difficulty. They had no cover but the heavens, nor any lodgings but those which simple nature afforded them. They drove with them 160 head of cattle, and by the way, subsisted on the milk of their cows. Mrs. Hooker was borne through the wilderness upon a litter. The people generally carried their packs, arms and some utensils. They were nearly a fortnight on their journey."

Arriving at their destination the group proceeded at once to obtain title to the land, purchasing it from the Indians in 1636. According to a legal description in the Hartford records, Andrew's residence was located on the north side of the present Charter Oak Avenue, a little east of Main Street. In addition to the home lot of approximately two acres Andrew owned four other parcels of land located in different parts of town, totaling in all about 80 acres. The land records refer to him as "Andrew Warner Deacon to the Church of Christ." It isn't clear whether he was made a deacon before they left Cambridge or after the arrival in hartford.

The early records of Hartford contain many references to Andrew concerning his activities as a surveyor. At one time he also served as chairman of the coroner's jury which decided that "wee doe finde that the sd partye, going against his master's comand with his master's cannoe into a place of danger, or that is to the milldam, is guilty of his own death, being drowned"..........from the Hartford Court Records.

Soon after the death of Rev. Thomas Hooker there developed a breach in the church. The controversy, at first local, regarding matters of church membership, discipline, and baptism, spread to neighboring churches and was felt throughout New England. It led not only to the establishment of the Second Church of Hartford, but to the settlement of Hadley, Mass. by colonists from Hartford, Wethersfield and neighboring churches.

Attempts were made by the General Court and various advisory bodies to end the quarrel but in April 1659, 59 residents of Hartford, Wethersfield, and Windsor, decided to move to a new territory which they had selected on the east side of the Connecticut River opposite Northampton, Mass. At the age of 65 years Andrew had been a resident of Hartford for over 20 years and had seen it grow from a few huts in the wilderness. He sold his Hartford homestead in November 1659 for 130 pounds, "to be payd one-third part in wheat, the other third part in peas, both at the price currant and the other third part is suteable _____ corn to be payd in at the Comon landing place or any House in hartford as the sayd Andrew or his assigns shall appoynt, the corn to be sweet and

every way well conditioned and the _______ to be two shillings in the pound cheaper than I will sell those sorts by retayle".

The village of Hadley, as finally laid out, consisted of 47 lots, nearly all of 8 acres each. In addition to the home lot, Andrew Warner later became the owner of 3 other pieces of property in or near Hadley, aggregating in all 42 acres. It seems to have been the custom of the early New England settlers to have their land scattered in several parcels rather than united in one or two holdings. The early records of Hadley whow Andrew as again being active in the affairs of the town. He was three times elected Townsman, or Selectman, as it was later called. He served on the jury of the Hampshire County Court and on various committees. Records show that Andrew was in the "malting" business. In his History of Hadley, Judd stated that the malting business established by Andrew Warner was continued for 130 years by 3 generations of his descendants.

Little is known of Andrew's first wife whose name according to family tradition was Mary. Soon after Andrew's removal to Hadley, he was married to Esther or Hester Wakeman Selden, daughter of Francis and Ann (Goode) Wakeman. She was baptised June 15, 1617, and died in Hadley in 1693. Her first husband was Thomas Selden, who died in 1655. Andrew Warner died December 18, 1684, aged about 90 years. An inventory of the estate showed a total value of 365 pounds 11 shillings and 4 ?? and included 9 parcels of real estate, clothing, household goods, grain and stock.

Date of will is June 16, 1681, Proved March 31, 1685.

Named in the will were wife Esther and children:

son, Jacob Warner, calls Esther his mother
son, Daniel Warner, also called Esther his mother
daughter, Ruth Warner, called Daniel's sister
son, Isaack Warner
son, Andrew Warner
son, Robert Warner
son, John Warner
daughter, Hills (Mary who married Wm. Hills)
daughter, Pratt (Hannah, wife of Daniel Pratt)

……

Have given all the children to Mary as I do not have birth dates for them. Any born after 1659 could belong to 2nd wife Esther as it says in the story Andrew married Esther shortly after settling in Hadley which was about 1659. Found some dates later.

There is a 2nd set of dates for the children by Toby Kendrick, found on Ancestry.Com under Andrew:

Lt. Daniel Warner, born about 1642 in CT
Mary Warner
John Warner, born about 1625 in Middletown, Middlesex, CT

Andrew Warner
Hannah Warner, born about 1635
Ruth Warner, born about 1641
Isaac Warner
Robert Warner
Jacob Warner

This genealogy gives a second marriage to Esther Wakeman about 1657 and a son Jacob Warner born 1658

……

Quick Timeline:

1632..........Andrew came to America with family
1636..........went to Hartford with Rev. Hooker
1659..........moved to Hadley to establish a new church there

Interesting situation as the Ancs File has Mary living until 1672 and dying in Hadley. Confused.

……

Names of parents and ancestors came from the Pedigree chart found on Ancestral File, LDS. Not sure how correct any of it is at this time.

……

In the COLONIAL FAMILIES OF THE UNITED STATES, page 546 (as taken from CD , Colonial Genealogies by FTM we find that they say Andrew was born in Hatfield. Gloucester, England. Needs to be checked out.

Also added is that he was elected Freeman, May 14, 1634, in Cambridge, MA (This also found in World Tree on Ancestry.com)

Other things about Andrew Warner are as follows:

Associations: One of the witnesses to the will of Andrew Warner was Mark Warner of Hadley, son of John Warner of Ipswich, Brookfield and Hadley, who was in turn son of William Warner of Ipswich. Both Andrew Warner and William Warner were named sons of Daniel. More info needed on this.

There is no date for the death for the first wife of Andrew Warner and no date of marriage to his second wife, but the Winthrop medical records assist us in approximating the second event. Andrew's youngest child, Jacob, was two years old on July 22, 1660 and therefore born about the middle of 1658. Warner's first wife, baptized in 1603, would be far too old to have borne this child, and so Jacob must have been son of Warner's second wife. Beginning in November 1657 and continuing until March of the following year Winthrop treated Andrew Warner's wife (name not stated) for lack of menstruation. Neither the doctor nor the patient thought she was pregnant, but she surely was, given Jacob's approximate date of birth.

In 1915 Frank Farnsworth Starr compiled an excellent and exhaustive study of Andrew Warner and his family with much greater detail than is given above on all aspects of his life including his landholding. (Goodwin Anc. 1:17-37)

(6)

Ebenezer born 25 Feb 1676 and married Waitstill Smead. (7) Daniel born 25 Feb 1678 married Sarah Gould and died 21 Dec 1711. (8) Lydia born 1678 married Joseph Brooks 29 Dec 1698 and died 21 Dec 1711. (9) Samuel born 14 Mar married Sarah Field and died 14 May 1756. (10) Ruth born 18 Oct 1682 and died young. Conn. (13) Mercy born 25 Sep 1685 married Samuel Gilbert and died 13 Oct 1759. (14) Thankful born 1687 married Josiah Loomis and died 13 May 1751.

Isaac died in Deerfield, Franklin, Massachusetts in 1691.

Sarah was young and married 2nd to Deacon John Loomis of Windsor in 1696. Sarah died 14 July 1726.

Isaac no doubt moved to Hadley, Mass. with his father in 1659. On May 31, 1666 Isaac married Sarah Boltwood, daughter of Robert and Mary Gernor Boltwood of Northfield. The births of their first four children were recorded at Hadley, but sometime after 1673 they must have moved to Northfield, and later to Deerfield. He died there in 1691. Sarah married 2nd on December 20, 1696, Deacon John Loomis of Windsor, Conn.

Isaac was 13 and a half years old on April 24, 1658 making his birthyear about right.

Ichabod Warner (Isaac 2, Andrew 1)

From Jan Herbert: ICHABOD WARNER, was born about 1684, probably Northfield, Mass. His father died when he was about 7. Ichabod probably moved with his mother to Lebanon, CT, when she married John Loomis in 1696. Deacon Loomis received a grant from the proprietors of Lebanon in 1700 and settled there as early as 1703/4.

On March 5, 1711/12 Ichabod married Mary Metcalf, daughter of Jonathan and Hannah (Kenric) Metcalf. Mary was born about 1690 and was first married to John Pratt. The Lebanon deeds show that Ichabod started buying and selling land as early as 1714. Later he must have lived nearer to Windham since the records there show that permission was given for him to build a dam across Pideon Swamp Brook (Pidgeon??) in 1727. Ichabod and Mary were members of the church in Windham in 1726.

Mary died April 26, 1747 and Ichabod married 2nd, on February 4, 1748, Sarah Phelps of Lebanon. She was probably the "widow Sarah Warner" who died June 2, 1783 at age 78. Ichabod died intestate January 18, 1767. The cemetery at Windham contains gravestones of both Ichabod and his first wife, Mary.

The Windham probate records give the Inventory of Ichabod's estate dated March 23, 1767 and a lengthy document dated December 6, 1767, showing the distribution of the estate. A few points of the documents:

20 acres of land lying in Lebanon which was given by Ichabod Warner, deceased to his son, Ichabod.......

59 acres of land lying in Canterbury which said Ichabod Warner gave to his son, Daniel........

"Whereas the Honorable Court of Probate for Windham District in the County of Windham did appoint us the subscribers to divide distribute and sell out the estate of Ichabod Warner of said Windham, deceased, both real and personal settlement of said estate in said Court of Probate. To each of the heirs according to said settlement is by order of said court may more fully appear, we therefore being sworn according to Law to a faithful discharge of said Trust and having mett and viewed said lands and moveables and measured said lands we have divided and sett out to the several heirs their several

parts of said lands for quantity and quality and the moveables according to said settlement their equal proportion....................."

There follows a legal description of the land and the "moveables" which were "set out" to each of the eight living heirs of Ichabod. Daniel's portion goes like this:

"And unto Daniel Warner we have sett out one piece of land containing 2 acres and 75 rods, it being the 8th part of the Land mortgaged by Ebenezer Gillet and it is bounded as followeth, beginning at a stake and stones by the south side of the highway that goes from Lebanon village to Hebron..........

The moveables sett out to the said Daniel are as followest:

an old great coat
2 woolen shirts 17s, an old blue coat 1s
3 pr yarn stockens 22s, a bed, coverled and blanket, bolster and pillows, bedstead and
cord 43s, a basket 6d
a funel 1s, one ceader tub 2s, a churn 5s 2d, hogshead tubs 3s, 4d
2 augers, a drawing knife and an old adds
2 books 2s, a great Bible 8s, 6 bus. wheat 24s
cash

The above said piece of land together with above said moveables to be unto him the said Daniel and his heirs forever to hold in severalty."

On May 26, 1768 Daniel acknowledged the receipt of his portion of the estate:

"Item I Daniel Warner of Dutchess County, in the Province of New York, heir to the estate of Mr. Ichabod Warner, late of Windham deceased, have received of my brother Nathaniel Warner, Administrator on ye estate of said deceased, the sum of 15 pounds 14shillings 4d, lawfull money value in cash and sundry articles of moveable estate which is in full of my part of said Moveables, & do hereby acquit and discharge said Nathaniel Warner in his said capacity of Administrator to me, or any person by or under me and also I hereby promise to and with said adm. that I will refund and pay back to him said administrtor my equal and just proportion of my debt that hereafter shall appear to be justly due from said deceased estate. Will dated December 22, 1790, proved April 3, 1792.

One of the sources for information on this family is "The Descendants of Andrew Warner", by Lucian Warner, 1919. All may not be correct.

The History of the Moravian Congregation has a list of children for Daniel as follows: it is slightly different than other lists.

1. Daniel Warner, Jr............born August 20, 1740
2. Jonathan Warner.............born September 5, 1742
3. Nathan Warner.................born January 17, 1744
4. Sarah Warner...................born June 17, 1748
5. Mary Warner.....................no dates listed
6. Massa Warner.................January 1, 1754 (may be Amassa)
7. Samuel Warner................January 1, 1757
8. John Warner....................August 5, 1759
9. Ezra Warner....................September 2, 1762

then we find these added:

10. Nathan...........................October 31, 1765 (prob. the son of 3. Nathan above)
11. Peter ....July 26, 1767 (prob. son of Nathan)
12. Ebenezer........................September 2, 1769 (prob. son of Nathan)
13. Elisabeth.........................March 11, 1769 (prob. dau. of Daniel Jr. above)

……

From the History of the Moravian Congregation we find some interesting notes:

Since the Moravians were a "peaceful" people they had problems with both sides in the Rev. War. If you were'nt for them, you were against them. No neutrality.

Sept. 24, 1777.......Brother Warner's oxen and horse were taken to Allentown, where to redeem them, he had to pay his son John's fine of 50 pounds.

Nov. 13, 1777........ 20,000 feet of boards (some of them had been sold to Bethlehem) are seized and taken to Allentown as war-tribute.

Dec. 12, 1777........The married Brethren Nathan and Daniel Warner, both heads of large families, were forcibly taken to Allentown and being unwilling to serve in the militia, for two months, and unable to pay 108 pounds ransom, they were forced to cut fifty cords of wood each, in the neighborhood of Allentown, for the use of the soldiery. their laborious task was duly completed and they returned to their homes in February of the following year with a promise of 4 d. per cord as payment

....

59 acres of land lying in Canterbury which said Ichabod Warner gave to his son, Daniel........

"Whereas the Honorable Court of Probate for Windham District in the County of Windham did appoint us the subscribers to divide distribute and sell out the estate of Ichabod Warner of said Windham, deceased, both real and personal settlement of said estate in said Court of Probate. To each of the heirs according to said settlement is by order of said court may more fully appear, we therefore being sworn according to Law to a faithful discharge of said Trust and having mett and viewed said lands and moveables and measured said lands we have divided and sett out to the several heirs their several parts of said lands for quantity and quality and the moveables according to said settlement their equal proportion....................."

There follows a legal description of the land and the "moveables" which were "set out" to each of the eight living heirs of Ichabod. Daniel's portion goes like this:

"And unto Daniel Warner we have sett out one piece of land containing 2 acres and 75 rods, it being the 8th part of the Land mortgaged by Ebenezer Gillet and it is bounded as followeth, beginning at a stake and stones by the south side of the highway that goes from Lebanon village to Hebron..........

The moveables sett out to the said Daniel are as followest:

an old great coat
2 woolen shirts 17s, an old blue coat 1s
3 pr yarn stockens 22s, a bed, coverled and blanket, bolster and pillows, bedstead and
cord 43s, a basket 6d
a funel 1s, one ceader tub 2s, a churn 5s 2d, hogshead tubs 3s, 4d

cash

The above said piece of land together with above said moveables to be unto him the said Daniel and his heirs forever to hold in severalty."

On May 26, 1768 Daniel acknowledged the receipt of his portion of the estate:

"Item I Daniel Warner of Dutchess County, in the Province of New York, heir to the estate of Mr. Ichabod Warner, late of Windham deceased, have received of my brother Nathaniel Warner, Administrator on ye estate of said deceased, the sum of 15 pounds 14shillings 4d, lawfull money value in cash and sundry articles of moveable estate which is in full of my part of said Moveables, & do hereby acquit and discharge said Nathaniel Warner in his said capacity of Administrator to me, or any person by or under me and also I hereby promise to and with said adm. that I will refund and pay back to him said administrtor my equal and just proportion of my debt that hereafter shall appear to be justly due from said deceased estate. In their book "The Descendants of Andrew Warner", Lucien C. Warner and Mrs. Josephine Genung Nichols tell about descendants of Ichabod's son Daniel who have within recent years, been the possessors of his family Bible and an old coat which he is said to have worn. One of his descendants wrote a description of the coat about 1890.

About fifteen years ago the coat was in the possession of Joshua Warner, the great, great, great grandson of Ichabod. Jonas Warner and his wife saw this coat and handled

it, the former put on the coat and he says it hung to the floor. It was the longest coat he
ever saw and must have belonged to an exceedingly tall and slender man. It was made
of some kind of thin cloth of a grayish blue color, was a sort of sack coat without many
seams and had 9 silver-colored buttons."

Daniel's history from Jan Herbert:

Daniel Warner was born July 10, 1714. His birth was recorded in the Windham, CT, town records and in the Lebanon (Moravian) Church. On December 8, 1739 he married Bethiah Gennings, daughter of Ebenezer Gennings and Mary Bidlack/Bidlock. Bethiah was born in Windahm on March 11, 1720. Sometime after the birth of their 5th child, Daniel and his family moved to Hebron, CT, where the next 2 children were born. After that, about 1750 they moved to Dutchess County, N.Y.
They became members of the Moravian settlement known as the Sichem Moravian Congregation, near the border line of CT. In 1770 Daniel, his wife and 6 of their children moved to Gnadenhutten, Northampton Co., PA, where they were attracted by favorable offers of land on the Mahoning. This was the location of another strong Moravian Church. The family took up temporary quarters in the old Fort Allen, but by January 1771 they had completed their house and moved across the river from the fort. Daniel was a cooper by trade. According to his will, dated December 22, 1790, Bethia had already passed away by that date. Tradition says that in later life he became insane and died in that condition. His spirit was said to have returned to his former cabin, and he was known as "Spookin' Dan'l". Witnesses that were present at the signing of Daniel's will later testified that Daniel "was of sound mind and memory and understanding" so if the family tradition is accurate and the witnesses statement is correct, Daniel's state of insanity was only a little over a year in length at the most. His will was proved April 3, 1792.

Transcrip of Daniel's will..........."Gnadenhutten on Mahony Creek, December 22, 1790. Whereas I have made 2 wills or testaments at different times past; But having more narrowly examined my circumstances after the decease of my dearly beloved wife, Bethia Warner,

finding my outward offices not so favorable as when I thought at first. Therefore, I Daniel Warner, disannul the 2 former wills and in consideration of what some of my children have done in time past to myself and my dear wife, now deceased, with the hope and expectation that they will continue faithful towards me until my bones are also brought to its resting place, I order will and bequeath my estate at Gnadenhutten on Mahony Creek as Lands Chattels, moveable and unmoveable in the manner following: First, that all debts at present or may be contracted before my death are payed out of my substance. Secondly, the Lands Chattles and what belongs to my estate be regularly valued or priced and what remains after the above mentioned debts be deducted, is to be divided into three equal parts; one part I will and bequeath to my son Samuel Warner. The second part, I will and bequeath to my son Esra Warner and the third part is to b divided into three equal shares. One share I will and bequeath to my son Massa Warner, and two shares to daughter Hannah Warner.

But if it should be more binding, or be required by law, I will and bequeath one of the above mentioned three parts to every one of the rest of my children, half a crown, or 2 shillings and 6 pence PA. Currancy, that is to Daniel or his heirs, 2 shilling and 6 pence, to John Warner, 2 shil 6 pence and to my daughter, Mary Warner. married to Elisha Smith, 2 shil 6 pence. These 5 half crowns are to payed out of the above 3 parts as mentioned already if required or demanded. And I make and ordain my son Massa Warner, sole Executor of this my will in trust for the interests and purposes in this my last will and testament in the presence of us who were present at the signing and sealing thereof, Boaz Walter, Peter Edmonds Northampton Co., on the 3rd day of April in the year of our Lord 1792. Before me, John Arndt Esq. Register for the Probate of Wills in and for said county, personally comes Boaz Walton and Peter Edmonds, the witnesses to the within written Last Will and Testament of Daniel Warner, deceased, who on their solemn affirmation according to Law did respectively affirm declare and say that they were present and did see and hear the said testator sign, seal, and publish pronounce and declare the same as and for his Last Will and Testament and that at the doing thereof he the said testator was of sound mind and memory and understanding to the best of their knowledge and belief and also that they these affirments subscribed their names as witnesses to the same in the presence and at the bequest of the said Testator and in the presence of each other. From the history by Jan Herbert:

DANIEL WARNER was born August 26, 1740 in Windham, CT. About 1750 the family moved to Hebron, CT, and in 1756 to Dutchess County, New York. Daniel married Sarah Smith, daughter of Azariah and Mary (Daggett) Smith. Sarah was born June 17, 1748 in Salisbury, CT. In the fall of 1773 Daniel moved his family to Gnadenhutten, Northampton Co., PA, where his parents had moved 3 years earlier. On July 15, 1774 Sarah passed away following childbirth. Her obituary can be found under her name...........

In 1775 Daniel married second, Catherine Edmonds, daughter of Edmund and Elizabeth Edmonds. Catherine was born September 4, 1748. During the Revolution the Warners remained true to their belief as Moravians that they should not take part in Army service. On Dec. 12, 1777 Daniel and his brother Nathan were forcibly taken to Allentown, and, being unwilling to serve in the militia for two months, and unable to pay 108 pounds ransom, they were forced to cut fifty cords of wood each, in the neighborhood of Allentown, for the use of the army. Daniel died on August 17, 1778.

Daniel's obituary from the Allemangel-Gnadenhutten, PA churchbook:

"August ye 17th, 1778, departed this life Daniel Warner, Jr. He was born ye 15th of August, 1740. O.S. at Windham in New England, CT. Government. In the year 1756 he emigrated with his father and family to the Oblong in New Yorck Government. Where he became concern'd about his souls salvation, got acquainted with Brn and was Recd in their Society, for which he had great regard, and willing to assist at all times to the best of his power. In the year 1767 he was married to Sarah Smith, (daughter of Br and Sr Azariah & Mary Smiths) by whome he had 4 daughters, 3 of which are living and in the care of Brns. Congregation. In the fall of the year 1773 he removed with his family to Gnadenhutten where they arived the 3rd of November, and had their abode in his Father Warner's house. In

July 1774 his first wife departed this life. In 1775 was married a second time to Catherine Edmonds, by whome he had one son, as to his outward character he was honist, and industrous, a loving husband, and Tender parent to his children. In religeion did not so advance in our Saviour's Grace, as one could wish to have seen, yet the faithfull Shephard found him at the last. The means towards his desolution was the bloody flux, which on the 9th of this month he was strongly seized with, on Saturday 15th He told me it would not be long that he had to live here. Said he was not afrade to die, but did not feel happy in his heart, and was a good deal trubled and exclam'd much against himself, for his backsliding, and neglegence towards our Saviour and his grace. I told him, he should still cast himself, with all his misery before our Saviour's feete, who all ways helps the poor and needy in distress. Sund 16th he sent for me again I went and found him in great distress of body, but joyfull in his mind, he reach'd me his hand and said with a blithe countenance he was glad to see me I came at the right time, to sing him some sweete verses at his going to his Saviour. I Sung, then the Saviour's Blood and Righteousness! That is my all, I want nothing els, I have nothing Els, O what sweet words, then in rapture cal'd his children one and admonish'd them to love our Saviour and live for him in this world, nothing was worth minding so much in this world, as to love our Saviour. Towards evening he seem'd to be much easear, and his hard pains abated, which gave some small hopes of a possability of his recovery, which many of us could have wish'd (If the Lord pleased) for the sake of his poor wife and children. I had ask't him before if he would not like to recover again, for his wife and children's sake? He reply'd O, no, no, I will go to my Saviour, I have nothing in this world more. My wife and children I have given over to Him. He will take care of them. He cal'd out several times come dear Saviour take me soon. This night he was quite out of head, and the next day about noon, Mund 17th, the Friend of poor Sinners! The Bridegroom of His Soul! Releast him of his pain. His age, 38 years, wanting 8 days. Wednesday ye 19th was his corps intir'd, in the Congregation Buring ground in Gnadenhutten."

One of the schools that Belle taught in was School # 4 which was on Road 68 across from the Kelham home. It has been said that she stayed with the Kelhams while teaching there. This was probably in the 1890's before the marriage of Belle and John.

Obituary of Belle Fitch:

HEART ATTACK BLAMED FOR DEATH OF MRS. BELLE FITCH

Final rites were held Sunday at 2 pm at the Cedar Chapel Methodist Church, southeast of Garrett, for Mrs. Belle Fitch, 78 who resided just south of the DeKalb-Allen County line on U.S. Highway 27. Rev. Everett McLeland officiated and burial followed in the church cemetery. The body was at the Zimmerman Funeral Home in Garrett until noon Sunday, when it was removed to the church to lie in state until the services.

Mrs. Fitch, who lived alone, had been in fair health. Thursday morning at 8 o'clock, Cecil Myers, the tenant farmer who lives nearby, went to see if Mrs. Fitch was all right. He was unable to gain entrance to the house or arouse anyone. He summoned a cousin, Miss Gladys Fitch, who lives nearby, and together with his wife and daughter, Marilyn, they returned to Mrs. Fitch's home. They cut a hole in the screen and Marilyn crawled through and unlocked the door. They found Mrs. Fitch dead in bed, a victim of a heart attack.

Mrs. Fitch was born May 19, 1874, a daughter of the late Mr. and Mrs. William Hollopeter. She was a life-long resident of Allen County and when a young lady taught in the DeKalb and Allen County schools. She and John Fitch were married March 17, 1898, and he died in February 1947. Surviving are two sons, Otis Fitch of southwest of Garrett, and Maurice Fitch of Huntertown; one daughter, Mrs. Charles Caple of Cromwell; one sister, Mrs. Grace Rundles of Hudson; seven grandchildren. Mrs. Harry Wert and Mrs. A.G. Houser of Garrett were cousins of the deceased woman. (Actually they were cousins-in-law)

Mrs. Fitch was a member of the Cedar Chapel Methodist Church, Woman's Society of Christian Service, Ladies Aid and was a teacher for many years of the Adult Sunday School class.
